

## The Author

**Janet A. McDonnell** is a senior historian with the U.S. Army Corps of Engineers. She received her Ph.D. from Marquette University. Dr. McDonnell has published *The Dispossession of the American Indian: Indian Land Policy, 1887–1934* as well as several articles on Indian land policy. Her most recent publication is the *U.S. Army Corps of Engineers Response to the Exxon Valdez Oil Spill*.

She is currently writing a history of the Corps' support of U.S. forces during the Gulf War and a history of the Army's role in the reconstruction of Kuwait.
